The most common reasons for this result are:

- The person you're looking for may have asked not to appear in The Telephone Book or Internet White Pages®
- You've Included a suburb name in the Location: field but the people you're looking for are listed in a different (but adjoining) suburb. For example, you won't find someone whose listing is for **Wilton** if you search in **Wadestown**.
- The name you're looking for may not be spelled the way you think it is. Internet White Pages® includes an option to find some alternative spellings (for example, **smyth** when you search for **smith**).
- We recommend you start with a general search - just a surname and perhaps a region. This is often enough for you to get what you need. If it returns too many results, try adding one initial and/or a location

The most common reasons for this result are:

- The person you're looking for may have asked not to appear in The Telephone Book or Internet White Pages®
- You've included a suburb name in the Location: field but the people you're looking for are listed in a different (but adjoining) suburb. For example, you won't find someone whose listing is for **Wilton** if you search in **Wadestown**.
- The name you're looking for may not be spelled the way you think it is. Internet White Pages® includes an option to find some alternative spellings (for example, **smyth** when you search for **smith**).
- We recommend you start with a general search - just a surname and perhaps a region. This is often enough for you to get what you need. If it returns too many results, try adding one initial and/or a location

Sir:

The undersigned, Erol Tanir, hereby states as follows:

1. That he is one of the named inventors in this application, and that he is a Director of Spexxworld, LTD, the assignee of the present application.
2. That he makes this Statement in support of the Petition to accept application with missing signatures in connection with this application.
3. That joint inventor Paul Sinding cannot be reached after diligent effort by the undersigned and as a result is unavailable to join in this application as evidenced by the following facts:
 - (a) Paul Sinding was a Director of Spexxworld LTD until June 14, 2004 when he resigned. A copy of his resignation is attached hereto as Attachment A. At that time, his address was Unit 1 Oaksey, Poole Keynes Cirencester Glos. UK GL7 6EA. This is his last known address.

- (b) From Mr. Sinding's departure from the company in June 2004 until July 2004, I made countless attempts to contact him by telephone to discuss (among other things) the patent filing. I never received a return phone call or an answer. I stopped calling the number after it was disconnected.
- (c) I sent a number of emails to Mr. Sinding at his last known email address (paul@spexx.co.uk) but never received a reply.
- (d) I attempted to contact him by visiting him at his apartment in Cirencester in the summer of 2004 and discovered that he had moved out of the property. The agent renting the apartment informed me that Mr. Sinding had moved out with no forwarding address and that there was no rent owed on the apartment (and thus the agent had no contact address for Mr. Sinding).
- (e) I have since heard that Mr. Sinding may have relocated to New Zealand. I attempted to contact directory assistance to locate a telephone number or address for Mr. Sinding but there is no listing for a Paul Sinding.
- (f) I believe I have pursued contact using reasonable diligence, and have exhausted all avenues of contacting Mr. Sinding to obtain his signature on the patent application Oath.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

DECISION ON PETITION

This decision is issued in response to "Petition to Accept Application with Missing Inventor" filed 20 January 2006, which is being treated as a Petition under 37 CFR 1.47(a) to accept the application without the signature of joint-inventor, Paul Davey Sinding. The \$200 petition fee has been submitted.

BACKGROUND

On 01 August 2003, applicants filed international application PCT/GB03/03355 which claimed a priority date of 01 August 2002. Pursuant to 37 CFR 1.495, the deadline for payment of the basic national fee in the United States was to expire 30 months from the priority date, 01 February 2004.

On 31 January 2005, applicants filed a transmittal letter for entry into the national stage in the United States, which accompanied by, inter alia: the requisite basic national fee as required by 35 U.S.C. 371(c)(1); a copy of the international application; and a copy of the international search report.

On 17 August 2005, the United States Designated/Elected Office mailed a Notification of Missing Requirements under 35 U.S.C. 371 (Form PCT/DO/EO/905) indicating that an oath or declaration in compliance with 37 CFR 1.497(a) and (b) must be filed. The notification set a two-month time limit in which to respond.

On 20 January 2006, applicants filed a petition under 37 CFR 1.47(a) and the requisite petition fee for a three-month extension of time.

DISCUSSION

A petition under 37 CFR 1.47(a) must be accompanied by: (1) the fee under 37 CFR 1.17, (2) factual proof that the missing joint inventor refuses to execute the application or cannot be reached after diligent effort, (3) a statement of the last known address of the missing inventor, and (4) an oath or declaration by each 37 CFR 1.47(a) applicant on his or

her own behalf and behalf of the nonsigning joint inventor. Items (1), (3) and (4) have been satisfied.

As to item (2), petitioner states that Paul Davey Sinding cannot be found or reached after diligent effort. Section 409.03(d) of the Manual of Patent Examining Procedure (M.P.E.P.), **Proof of Unavailability or Refusal**, states, in part:

Where inability to find or reach a nonsigning inventor "after diligent effort" is the reason for filing under 37 CFR 1.47, a statement of facts should be submitted that fully describes the exact facts which are relied on to establish that a diligent effort was made.

The fact that a nonsigning inventor is on vacation or out of town and is therefore temporarily unavailable to sign the declaration is not an acceptable reason for filing under 37 CFR 1.47.

The statement of facts must be signed, where at all possible, by a person having firsthand knowledge of the facts recited therein. Statements based on hearsay will not normally be accepted. Copies of documentary evidence such as internet searches, certified mail return receipts, cover letters of instructions, telegrams, that support a finding that the nonsigning inventor could not be found or reached should be made part of the statement. The steps taken to locate the whereabouts of the nonsigning inventor should be included statement of facts. It is important that the statement contain facts as opposed to conclusions.

A review of the present petition reveals that petitioner has not provided an acceptable showing that a diligent effort was made to locate the nonsigning inventor, Paul Davey Sinding. Petitioner states that Paul Davey Sinding is unavailable to join the application, however, no documentary evidence to support the attempt(s) was provided with the petition. Furthermore, it does not appear that petitioner has first hand knowledge of all the facts. As stated above, copies of documentary evidence such as internet searches, certified mail return receipt, cover letter of instructions, telegrams, etc., should be supplied by a person having firsthand knowledge of the facts.

For the reasons stated above, it would not be appropriate to accept the application without the signature of Paul Davey Sinding under 37 CFR 1.47(a) at this time.

CONCLUSION

The petition under 37 CFR 1.47(a) is **DISMISSED** without prejudice.

If reconsideration on the merits of this petition is desired, a proper response must be filed within **TWO (2) MONTH** from the mail date of this decision. Any reconsideration request should include a cover letter entitled "Renewed Petition Under 37 CFR 1.47(a)." No additional petition fee is required.
